## Biography

Philip Catherine has been on the forefront of the European jazz scene since the sixties. His work with great artists like Chet Baker, Larry Coryell, Tom Harrell, NHOP, Stéphane Grappelli, Charles Mingus, his unique approach and sound, his dedication to music have been important and influential. A new album, "Blue Prince" - with the great trumpet player Bert Joris, and with Hein Van de Geyn on bass and Hans Van Oosterhout on drums - was released in November 99, and received enthusiastic acclaim from the press ("Record of the Year", in "JazzMan" and elected among the Best albums of the Year in many magazines and newspapers).
